3.	15/45	Hot-seating Ask the groups to plan an activity or a consequence of activities to teach the topic that they decided emphasising the competences for democratic culture they cultivate with their activities.	The teams work and finally they hot-seat or ask questions when other teams are hot-seated.	1,2,3
	30/45	Each group as one character-a teacher will be hot-seated. Facilitate the group. The group-teacher should sit in front of the other group which is arranged in a semi circle (online the group-teacher keep the video on while the others switch off their cameras). Guide the questioning in constructive directions. The goal is to present their work and the whole group with pertinent questions to challenge them to reflect on their plans. The concentration is the ability to deliver through the activities/the topic Democratic Citizenship.
