

Feedback evaluation sheet

	Criteria	Very much 5	Some what 4	Undecided 3	Not really 2	Not at all 1
1	Did the educator respond actively in order to confirm that he/she was listening and understands what the learner said?					
2	Did the educator summarise the key points that have been made?					
3	Did the educator provide his/her view agreeing or disagreeing with his/her points?					
4	Did the educator focus on particular points and/or specific incidents?					
5	Did the educator discuss the positive points and the developments that are needed?					
6	Did the educator trigger student to reflect on his/her key points of educator's statements?					
7	Did the educator suggest that both parties should agree and record what further action is necessary from the learner to improve his/her performance?
