3.	40m	<p>How do we plan for responsibility? We divide students in small groups (breakout sessions in an online platform) and we give them 40m time to develop a lesson plan based on Hellison's model of teaching personal and social responsibility. Students should consult the guidelines given in the e-lecture to develop a lesson plan focusing on motor skill development in Primary education. During the activity, we check each group's progress and we give guidelines and feedback for their work.</p>	The groups upload their program on an online space	
Preparatory tasks for Students (if they needed):	They must know the theory			
Teacher's preparatory actions:	Online platform and drive for uploading material, lesson plan handouts
